SAVE OUR DATE!

Saskatoon Police Service is proud to be this year's host of the annual Versaterm Re:Invent Users Workshop. The conference will be held from **September 21-24, 2020** nestled in the quaint Saskatchewan prairies at The Delta Bessborough and Sheraton Cavalier Hotels located in the heart of downtown Saskatoon. We will be sure to leave you lots of time to explore our amazing city.

Our theme "VIP (Versaterm in the Prairies) – Our Vision is Clear" encompasses the Versaterm Re:Invent Users Workshop coming to the Prairies for the first time while showcasing creativity and innovation. As a Versaterm delegate in Saskatoon, you will receive the VIP Experience.

For those of you who were able to attend the conference in Scottsdale, Chris Harris (our MC) AKA your John in Saskatoon, offered some helpful hints for your Saskatoon experience. Our weather at that time of year can range from -1^{o} C (30.2F) to 25^{o}C (77F). You may experience, snow, hail, rain, wind and prairie sized mosquitoes. So please bring your toque (beanie), bunny hug (hoodie) and appropriate footwear.

In Saskatoon, you will enter a different world of friendly people and country charm. We are also guilty of smiling and saying "Hi" to complete strangers so don't be alarmed.

As our committee works hard to finalize arrangements, please sit back, relax and enjoy our newsletters. **See you in Saskatoon!**
